

# Write your Summer Story!

What time do I go to bed and get up each day?

What do I spend my summer days and nights doing?

What is my favorite thing to do?

How did I celebrate the summer holidays?

What friends/family do I spend the most time with?

What do I like to eat and drink this summer?

What "adventures" or trips have I taken this summer?

What is my favorite memory of summer?

What has disappointed me this summer?

What books have I read?

What else stood out to me about my summer?
