

Good Witches Spell

It's that time of year when creepy things roam.
You may not know what will make it into your home!

Here's a spell that'll bring safety your way.
But you must consume it. Please don't delay!

Abracadabra. Alakazam.

Throw in:

Witches finger and toe nails one by one...

Gobs of spider legs, they add to the fun!

Plenty of Bat eyes by the dozens...

Add Frankenstein's warts and then his cousin's!

Plenty of rat poop and some other kinds' too...

Jack's teeth as well as his friends', but not you!

Some of a ghost's fluff will help make it right...

Also, some Goblin goo that sat out all night!

Some Monster scabs and don't be shy...

Mix it all up and then give it a try!

Abracadabra. Alakazam.

Now don't be shy... this will surely not flop...

You will enjoy every single drop!

When it's consumed your spell will be complete.
And you will have had the best Halloween treat!

Enjoy!
